# Hybrid Meeting Packages

Hybrid Meeting Packages, available at all Southern Management Hotels, enable event planners to host functions that combine in-person and virtual audiences. Our tech-forward hybrid solution allows the virtual audience to seamlessly engage with the in-person audience and speaker for an almost-there experience. The Hybrid Meeting Packages can be customized and used for general sessions and breakouts. Below are the base A/V specifications, but please contact us for the full list and customization needed for your next event.

- 16x9 screen and projector
- Confidence monitor
- HD video switcher
- Video capture card
- Two PTZ cameras
- PTZ camera control unit
- Two laptops for technician use
- 12-channel audio mixer
- Wired podium microphone
- Wireless lavalier microphone
- Wireless hand-held microphone
- Premium high-speed internet
- Audio support technician (4 hrs)
- Video support technician (4 hrs)

Virtual licensing for up to 100 fully-engaged remote participants and 500 participants in presentation mode.
